REQUEST FOR EXTENSION OF TIME TO FILE AN APPEAL BRIEF

Sir:

Applicant hereby requests a six month extension of time until May 2, 2016, in which to file its Appeal Brief in this matter.

The extension is needed because the applicant is in continuing discussions with the owners of the several cited registrations regarding entering into Consent Agreements. Progress has been made, however, because there are multiple parties involved, the process is taking longer than expected.

Once Consent Agreements have been executed, applicant anticipates filing a Request for Reconsideration of the refusal of registration.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Mark B. Harrison", is written over a horizontal line.
